REPORT AND RECOMMENDATION

This matter has been referred to the United States Magistrate Judge under the standing orders of the Court for a report and recommendation regarding the Motion [Doc. 25] for an award of attorneys fees to the plaintiff under the Equal Access to Justice Act (“EAJA”), 28 U. S.C. § 2412(d)(1)(A). The defendant does not oppose the Motion.

The plaintiff’s case was recently remanded by the District Judge to the defendant for an award of benefits. While this fact makes plaintiff entitled to fees under the EAJA, attorney fees under the Social Security Act cannot be computed until the amount of past due benefits is ascertained by the Commissioner. When the amount of past due benefits is calculated and attorney fees awarded, counsel will be required to refund whichever fee is smaller; either the fee under the EAJA, or the fee under the Social Security Act.

In order to be entitled to an award of attorney fees and expenses under the Equal Access to Justice Act, all of the conditions set forth in 28 U.S.C. § 2412(d)(1)(A), (B) must be met. These are that:

- (1) the party seeking the fees is the “prevailing party” in a civil action brought by or against the U.S.,

- (2) an application for such fees, including an itemized justification for the amount requested, is timely filed within 30 days of final judgment in the action,
- (3) the position of the government is not substantially justified and
- (4) no special circumstances make an award unjust.

The Magistrate Judge finds that all of these factors are met in this case.

An affidavit of the hours expended by plaintiff's counsel and the costs incurred has been submitted. The undersigned finds both to be reasonable.

It is recommended that the plaintiff's Motion be GRANTED, and that plaintiff be awarded EAJA fees in the amount of \$2,737.50, and expenses in the amount of \$17.13.¹

Respectfully recommended:

s/ Dennis H. Inman
United States Magistrate Judge
